

AMAZING FAMILY FRIENDLY RESORTS

RECOMMENDED BY

Genie Travel

The Benefits of Family Travel

1. *New shared experiences...these are memories that will last a lifetime. Years from now you will remember the boat rides, the hikes, the beaches and all the memories you created as a family.*
2. *Bonding...time together gives you the opportunity to strengthen those family bonds.*
3. *Culture...this is a great opportunity to experience different cultures and expand your view of the world.*
4. *Humor...things may not always turn out perfectly, this is a wonderful lesson to learn how to see humor in mishaps.*
5. *Dining...try new foods, you might find something you love.*
6. *Alternate transportation...this is the opportunity to learn how to use trains, buses and other forms of alternate transportation. Again, broadening your view of the world.*
7. *New Languages...leave the country and learn phrases in a new language.*

How to choose a family resort

When traveling with children, it is important to look for certain features and amenities so both the children and adults have a memorable vacation. Based on our experience, these are the main features that will help create wonderful memories.

- 1. Swimming pools and slides....water parks and splash pools for the little ones can keep them entertained for hours.*
- 2. Beach...is there an easily accessible beach that is appropriate for all ages? Is it safe, no big drop-offs?*
- 3. Kid's Club...What type of club? Hours, ages, supervision, activities?*
- 4. Dining...kid-friendly food, special children's stations or children's menus.*
- 5. Special Check-ins....does the resort offer a special check-in for the little ones?*
- 6. Activities...what type of activities are offered for different age groups? Are there special shows or entertainment? Group activities?*
- 7. Bedding and/or baby equipment...how are the rooms configured? Is there a separate area for the kids? Are high chairs, strollers or playpens available?*
- 8. Special Amenities...are there any special amenities offered such as spa experiences, scavenger hunts, cooking classes or arts and crafts?*
